Dancing with the Local Stars 2.0

Saturday, March 7, 2020
ilani Resort, Cowlitz Ballroom

Serving Clark County from its base in Hazel Dell, Salmon Creek, Felida & Ridgefield, the Rotary Club of Three Creeks is filled with Changemakers, Peacemakers and People of Action.

Since October 2016, the club has completed more than 40 service projects in the community, mostly with large thanks to those who have donated to Dancing with the Local Stars 2.0.

Members have prioritized the club's giving and service partners with areas of focus in children, veterans, homeless and hungry and awarded its first major grant last August.

A check in the amount of \$10,000 was presented to the North County Community Food Bank and its programs. This was possible entirely due to the funds raised in the 2017 and 2018 Dancing with the Local Stars 2.0 fundraisers.

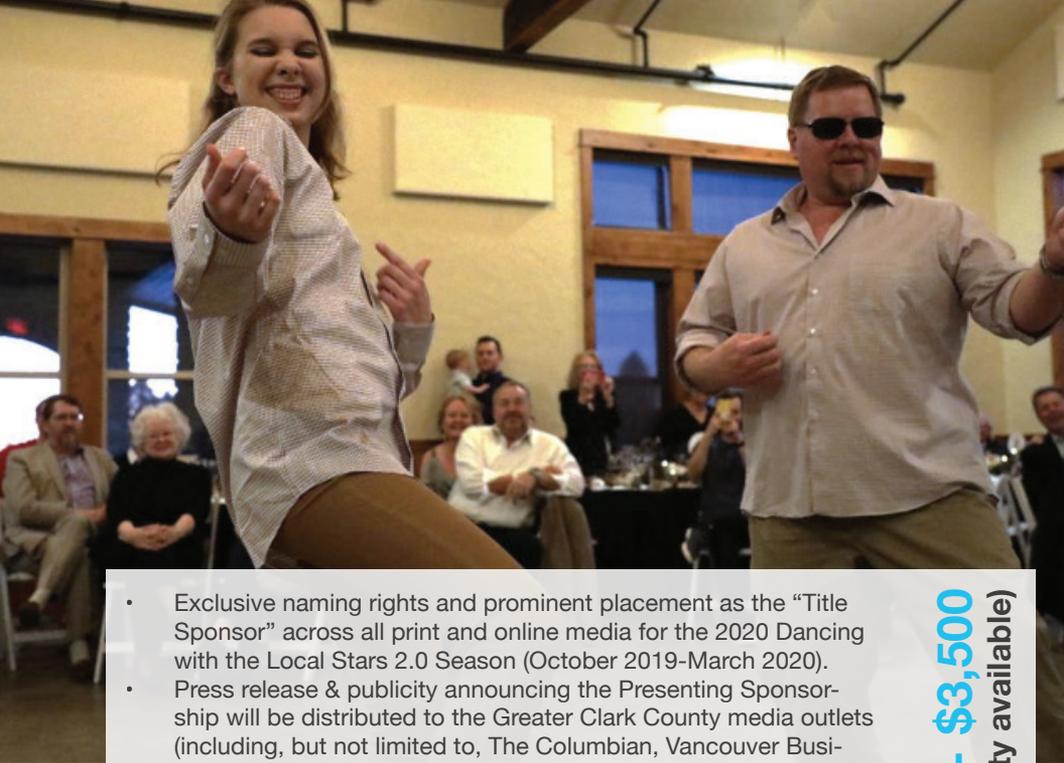

Rotary of Three Creeks funnels contributions through a tax-deductible Donor Advised Fund, managed by The Rotary Foundation. The club also implemented a charitable giving program to start reviewing and granting community grants (up to \$2,500) to area nonprofits

The club has installed Peace Poles in Hazel Dell, Salmon Creek and Ridgefield to inspire conversations about peace both at home and abroad. Three Creeks Rotarians have also placed "Rotary Book Nooks" – or "little libraries" – in Ridgefield and Vancouver neighborhoods. These are aimed at encouraging literacy in neighborhoods by way of a free book exchange.

In December 2019, Three Creeks Rotarian Lisa Kurtz and her husband David traveled on behalf of the club to Mexico to participate in the club's first international service project. During their weeklong trip – made possible with thanks to our generous donors – Lisa and David made and distributed shoes to children in rural Mexico. Because of this project, children who previously attracted diseases through their bare feet, can now go to school and live a healthier, happier life.

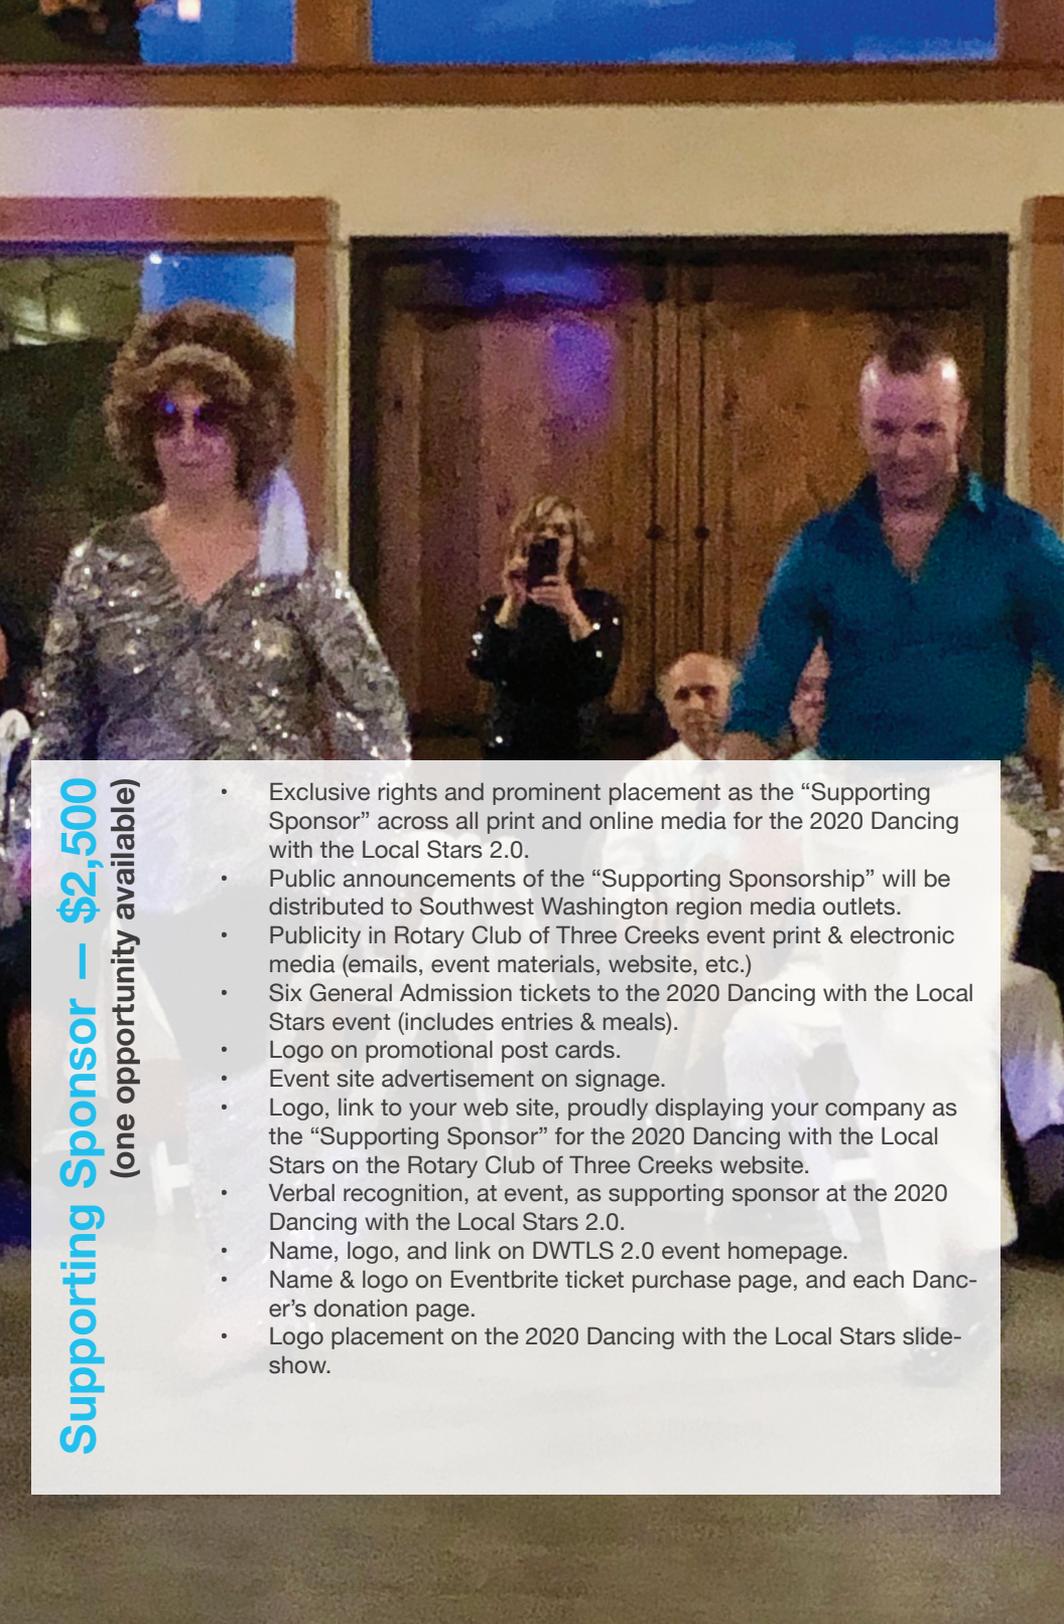

We do things a little differently, always with an eye on the result of quality service to those who need it – just like Rotarians everywhere do. The programs listed are just a few of the ways Rotary of Three Creeks is making a difference.

Changing the ways of traditional Rotary is a cornerstone for the Three Creeks club. We invite you to come serve beside us, visit a club meeting, follow us on social media, or simply continue to participate in our fundraising activities.
